

FUNDING YOUR ACCOUNT AT BLUE BANK INTERNATIONAL N.V.

Requests to wire funds in United States Dollars (USD) into your Blue Bank International N.V. account must be made with your financial institution.

Please note: For your transfer to be credited to your account, your bank must include the sender's name on the wire. A rejected wire may incur a bank fee. All wires sent from a third party are subject to review, require verification prior to acceptance, and may be returned.
